Circular for shareholders and depositary receipt holders

ABN AMRO Group N.V.

Relating to the proposed merger between ABN AMRO Group N.V. and ABN AMRO Bank N.V.

13 March 2019
Dear shareholders and depositary receipt holders,

On 16 November 2019 (Investor Day) and on 13 February 2019 (publication of our fourth quarter 2018 results), we announced the intention to propose a simplification of ABN AMRO's group structure through a merger of ABN AMRO Group N.V. (ABN AMRO Group) and its subsidiary ABN AMRO Bank N.V. (ABN AMRO Bank), with ABN AMRO Bank as the surviving entity (the Merger). Further to these intentions we now propose that such Merger be implemented in the course of 2019.

Currently, an interpretation of the European Banking Authority (EBA) prevents the full inclusion by a holding company (in our case ABN AMRO Group) of instruments issued by a subsidiary (ABN AMRO Bank) at a consolidated level. This interpretation impacts the capital and leverage ratios of ABN AMRO Group and thus ABN AMRO Group's financial strength from a regulatory perspective. The reason for proposing the Merger is to remediate the impact of the EBA interpretation.

The proposed Merger will have no impact on the rights of holders of ordinary shares of ABN AMRO Group (Shareholders) or holders of depositary receipts of shares of ABN AMRO Group (DR Holders).

In this circular, we provide you with information regarding the proposed Merger and we explain why we consider the Merger to be in the best interest of ABN AMRO, the Shareholders, the DR Holders and other stakeholders. The Merger requires approval of the meeting of DR Holders (the DR Holders Meeting) and a resolution to effect the Merger of the general meeting of ABN AMRO Group (the General Meeting).

We advise you to read this circular and related documents for further information. As stated above, we believe this proposed Merger — in remediating the impact of the EBA interpretation — will bring considerable benefits to our organization, while it does not affect the rights of Shareholders and DR Holders. Therefore, the executive board and supervisory board unanimously support the Merger and recommend that you vote in favour of the Merger and related resolutions.

Stichting administratiekantoor beheer financiële instellingen (NLFI) supports, and intends to vote in favour of, the Merger. Stichting Administratiekantoor Continuïteit ABN AMRO Group (STAK AAG) will take the necessary steps to facilitate the decision-making required for the Merger.

You are strongly urged to provide a proxy for, or to attend the DR Holders Meeting(s) and the annual general meeting (AGM). Please register your vote or proxy for the DR Holders Meeting(s) and AGM by 5 April 2019 (First DR Holders Meeting) and by 18 April 2019 (Second DR Holders Meeting - if required - and AGM).
The AGM is an important opportunity for all Shareholders and DR Holders to express their views by asking questions. If you would like to be assured of the fullest possible response to a question asked in the AGM, it would be helpful if you could give us prior notice of your question. Of course, you are also invited to write to us at any time should you wish.

Yours sincerely,

Kees van Dijkhuizen Tom de Swaan
CEO Chairman Supervisory Board

STRATEGIC RATIONALE FOR THE MERGER

1.1 Introduction

The purpose of the Merger is to remediate the impact of the EBA interpretation on ABN AMRO’s Tier 1 total capital and leverage ratios. The Merger is expected to reduce the costs of capital. Additional, indirect costs savings are also expected to follow from the simplification of ABN AMRO’s group structure. This may be beneficial for further dividend distributions.

The Merger will not have an impact on ABN AMRO’s corporate governance and will not affect the financial or governance rights of Shareholders or DR Holders.

1.2 Remediation of inefficiencies in ABN AMRO’s capital structure

In 2017, the EBA published an interpretation of certain capital regulations applicable to European banks.¹ This interpretation prevents the full inclusion by a holding company of instruments issued by a subsidiary at a consolidated level. The EBA interpretation has a particularly adverse impact on consolidated capital ratios of bank holding companies with a single subsidiary, such as ABN AMRO Group.

As a result of the interpretation, a portion of the ‘surplus capital’ of AT1 and T2 instruments issued by ABN AMRO Bank can no longer be included in full in respect of the ‘consolidated own funds’. This impacts the consolidated Tier 1 total capital and leverage ratios of the group (the CRR Impact). Capital ratios of ABN AMRO Bank on a solo-basis are not impacted.

The table below shows the CRR Impact on the ABN AMRO Group consolidated level. The CRR Impact of in total EUR 5.4bn makes AT1 and T2 bank issued instruments inefficient at ABN AMRO Group level.

The Merger would entirely remediate the CRR Impact and capital inefficiencies caused by it, ‘trapped’ CET 1 equity is released and the AT1 and T2 inefficiency is resolved. In addition, the leverage ratio of ABN AMRO Bank would improve by +0.2%.

¹ EBA Single Rulebook Q&A, publication date final Q&A 03/11/2017, Question ID 2017_3329, legal act: Regulation (EU) No 575/2013 (CRR) as amended
Other side benefits of the Merger include a simplified and cost-efficient structure. For example, ABN AMRO Group and ABN AMRO Bank will no longer both have to prepare an annual report. As ABN AMRO Group will cease to exist as a result of the Merger, only ABN AMRO Bank will continue to prepare an annual report. The same applies to recurring regulatory reporting for resolution purposes. The simplification of the group structure also improves the resolvability of ABN AMRO.

If the Merger is not implemented, the CRR Impact will continue to negatively affect ABN AMRO's capital position.

The current corporate structure with ABN AMRO Group as top-holding company is a result of various legal mergers and acquisitions in the past. ABN AMRO Group was incorporated on 18 December 2009 to hold a subsidiary that was part of the former ABN AMRO group and a subsidiary that was part of the Fortis group, as acquired by the Dutch State at that time. These subsidiaries below ABN AMRO Group were merged with the new ABN AMRO Bank remaining as sole subsidiary of ABN AMRO Group. ABN AMRO Group remained as a pure holding company. The Merger has no impact on the daily operations of ABN AMRO Bank.

2 CONSEQUENCES OF THE MERGER

2.1 General

As set out above, the Merger seeks to remediate the CRR Impact. Other than the estimated cost-savings, the Merger will not have any impact on the operations of ABN AMRO and will not affect the rights of the Shareholders, DR Holders, creditors or other stakeholders of ABN AMRO.

As a result of the Merger, ABN AMRO Group will cease to exist. All its assets, liabilities and other legal relationships will be acquired by ABN AMRO Bank by operation of law. In the Merger all issued shares in the share capital of ABN AMRO Group will be cancelled, and one ABN AMRO Bank ordinary share will be allotted for each ABN AMRO Group ordinary share issued and outstanding before the Merger.

The depositary receipts (DRs) will not be cancelled as a consequence of the Merger. They will remain outstanding and after the Merger each DR, previously representing one ordinary share in the share capital of ABN AMRO Group, will represent one ordinary share in the share capital of ABN AMRO Bank. The DRs will continue to have the same International Securities Identification Number (ISIN Code). The Merger will have no consequences for the indexes in which the DRs are included.
2.2 Consequences from a corporate governance perspective

The Merger will not bring any changes to the corporate governance of ABN AMRO, other than directly relating to the simplification of its group structure. The corporate governance of ABN AMRO Bank post-Merger will be fully aligned with the current corporate governance of ABN AMRO Group, which in particular means that:

- after the Merger, the articles of association of ABN AMRO Bank will largely mirror the current articles of association of ABN AMRO Group; differences are of a technical nature and have no impact on the governance or the rights of Shareholders and DR Holders (see also Annex E);
- all policies currently applicable to ABN AMRO Group will apply to ABN AMRO Bank;
- the supervisory board and executive board of ABN AMRO Bank remain composed as the respective boards of ABN AMRO Group prior to the Merger, whereby the same rotation schedule will apply;
- the composition and functioning of the executive committee remains unchanged at the level of ABN AMRO Bank;
- a personal union through cross-membership of the supervisory boards, the executive boards and the committees of ABN AMRO Group and ABN AMRO Bank no longer applies; references to a personal union in constitutional documents will be deleted;
- the executive board of ABN AMRO Bank will be authorized to issue shares, exclude pre-emptive rights and repurchase shares subject to the same limitations as apply to the executive board of ABN AMRO Group prior to the Merger (see also paragraph 5.4); and
- the role of STAK AAG as defence foundation remains unaffected but will relate to ABN AMRO Bank instead of ABN AMRO Group.

ABN AMRO Group is currently subject to the large company regime (structuurregime). After the Merger, ABN AMRO Bank will meet the requirements for the large company regime as well, but application of the large company regime will only become mandatory under Dutch law after observance of a statutory waiting period. Since the Merger is not intended to
result in any changes to the corporate governance, the large company regime will be applied immediately following the Merger, initially on a voluntary basis.

Most of the resolutions required to align the post-Merger governance of ABN AMRO Bank with the pre-Merger governance of ABN AMRO Group can be adopted by ABN AMRO Bank, or by ABN AMRO Group in its capacity of sole shareholder of ABN AMRO Bank. However, pursuant to clause 7.3.6 of the articles of association of ABN AMRO Group, the approval of the General Meeting is required for a resolution of the executive board of ABN AMRO Group to cast a vote on the shares that ABN AMRO Group holds in ABN AMRO Bank regarding a resolution to authorize the executive board of ABN AMRO Bank to issue shares and grant rights to subscribe for shares. Therefore, the resolution proposed under item 9(a) of the agenda for the AGM to authorize the executive board of ABN AMRO Group to issue shares, includes the proposal to approve that the same authorization will be granted to the executive board of ABN AMRO Bank, subject to the Merger becoming effective. This is further described in paragraph 5.4.

2.3 **Tax consequences**

The Merger is a tax neutral event under the applicable tax legislation. The tax position of the ABN AMRO group after the Merger will not be less favourable from a Dutch tax perspective, nor will the Merger as such bring Shareholders and DR Holders in a less favourable perspective from the viewpoint of ABN AMRO group.

Any (deemed) result at the level of ABN AMRO Group as a consequence of it ceasing to exist under the Merger will be rolled over to ABN AMRO Bank under the applicable roll-over regime in the corporate income tax act. ABN AMRO Bank will form a new fiscal unity. The relevant provisions in the Dutch dividend withholding tax to make distributions free of Dutch dividend withholding tax remain similarly available for ABN AMRO Bank as they are for ABN AMRO Group prior to the Merger. This is confirmed by the Dutch tax authorities.

2.4 **Consequences for the position of NLFI**

At the occasion of its initial public offering (IPO), ABN AMRO Group entered into a relationship agreement with NLFI. As a consequence of the Merger, ABN AMRO Group’s rights and obligations under the relationship agreement will be assumed by ABN AMRO Bank. The relationship agreement will be amended to reflect the changed structure of the ABN AMRO group. No other changes to the relationship agreement will be made.

3 **REGULATORY CONSIDERATIONS**

The European Central Bank (ECB) and the Dutch Central Bank (De Nederlandsche bank or DNB) are the home state regulatory authorities for ABN AMRO Bank. ECB and DNB must grant a declaration of no objection (DNO) to ABN AMRO Bank in relation to the Merger. The Merger constitutes a merger within the meaning of Section 3:96(1)(d) of the Dutch financial supervision act (Wet op het financieel toezicht, or FSMA). Subsidiaries of ABN AMRO Bank that hold a banking license do not need to apply for a DNO since they are not materially affected by the Merger.
Furthermore, NLFI and STAK AAG will require separate DNO’s within the meaning of Section 3:95 of the FSMA. Pursuant to the “Joint Guidelines on the prudential assessment of acquisitions and increases of qualifying holdings in the financial sector” an assessment is required if there is a change in the nature of a qualifying holding so that an indirect qualifying holding becomes a directly held qualifying holding. This will be the case for NLFI and STAK AAG as a result of the Merger.

On 20 February 2019 ABN AMRO Bank, NLFI and STAK AAG applied for the aforementioned DNO’s. The Merger will only be implemented after the required DNO’s have been obtained.

The Merger will trigger regulatory notification requirements in the jurisdictions where ABN AMRO has a regulated presence (through branches, subsidiaries or representative offices). ABN AMRO will closely liaise with the relevant regulatory authorities to best align the potential impact on ongoing regulatory processes and content requirements for all regulatory notifications.

4 WORKS COUNCIL

ABN AMRO Bank’s employees are represented by works councils within its group and as a collective (Raad van Medewerkers, the Works Council). The Works Council has been informed on the potential Merger in an early stage. The Works Council granted its positive advice on the Merger.

5 OVERVIEW OF MEETINGS AND VOTING ITEMS

5.1 The DR Holders Meeting

5.1.1 General

At the DR Holders Meeting two resolutions will be put to a vote. The DR Holders Meeting is requested to approve the resolution of the board of STAK AAG to amend the articles of association of STAK AAG (the STAK AAG Articles) and to amend the terms and conditions governing the receipt and holding in trust of the ABN AMRO Group shares (the Trust Conditions).

Both resolutions require a two-thirds majority of the votes cast in a DR Holders Meeting where at least two-thirds of the DRs are represented. If no resolution can be adopted at the first DR Holders Meeting (the First DR Holders Meeting), a second DR Holders Meeting will be convened ultimately on the day following the First DR Holders Meeting (the Second DR Holders Meeting) in which both resolutions can be adopted by a two-thirds majority of the votes cast, irrespective of the number of DRs represented at that Second DR Holders Meeting. This is further described in paragraph 5.2.

In order to provide for a clear and quick overview of the aforementioned amendments to the STAK AAG Articles and Trust Conditions, we have annexed tryptics (drieluiken) of the proposed amendments made and explanatory notes thereto (Annex A and Annex B to this
Circular). These annexes are made in due consultation with and with the consent of STAK AAG.

5.1.2 Amendment of the STAK AAG Articles

The purpose of amending the STAK AAG Articles is two-fold. In the first place, changes are proposed to align the STAK AAG Articles with the post-Merger situation. This essentially entails replacing all references to ABN AMRO Group by references to ABN AMRO Bank, including in the name of STAK AAG.

In the second place, it is proposed to include a number of transitional provisions in the STAK AAG Articles. These transitional provisions will lapse when the Merger becomes effective. The transitional provisions facilitate the Merger. They confirm that the Merger will not affect the relationship between the DR Holders and STAK AAG. Each DR will remain outstanding and will represent a share in ABN AMRO Bank after the Merger. Furthermore it is confirmed that, while STAK AAG may in principle not dispose of the ABN AMRO Group shares it holds in trust, it may cooperate with the Merger pursuant to which the ABN AMRO Group shares will be exchanged for ABN AMRO Bank shares.

If the amendment of the STAK AAG Articles is not approved by the DR Holders Meeting, the Merger will not be implemented.

Annex A contains a more detailed overview of the proposed changes to the STAK AAG Articles.

5.1.3 Amendment of the Trust Conditions

Also with regard to the Trust Conditions, it is proposed to align them with the situation post-Merger by replacing references to ABN AMRO Group by references to ABN AMRO Bank. In addition, certain changes are proposed in order to align the Trust Conditions with the updated Euronext Rules (Rulebook II).

The proposed Trust Conditions also contain a number of transitional provisions that provide that the Merger will not affect the relationship between the DR Holders and the Trust Office. These transitional provisions will lapse when the Merger becomes effective.

If the amendment of the Trust Conditions is not approved by the DR Holders Meeting, the Merger will not be implemented.

Annex B contains a more detailed overview of the proposed changes to the Trust Conditions.

5.2 The Second DR Holders Meeting

At the First DR Holders Meeting, resolutions can only be adopted if at least two-thirds of the DRs are present or represented. If no resolution can be adopted at the First DR Holders Meeting, the Second DR Holders Meeting will be convened ultimately on the day
following the First DR Holders Meeting, in which the resolutions to amend the STAK AAG Articles and Trust Conditions can be adopted by a two-thirds majority of the votes cast, irrespective of the number of DRs represented at that Second DR Holders Meeting. The Second DR Holders Meeting will be held in the morning on the same day of, and directly prior to, the AGM.

At the Second DR Holders Meeting no other voting items will be included on the agenda than the amendment of the STAK AAG Articles and the amendment of the Trust Conditions in accordance with the drafts also provided for the First DR Holders Meeting. Agenda item 3 (Report of activities of STAK AAG, explanation and opportunity to exchange views) and item 4 (Agenda and notice convening the annual general meeting of ABN AMRO Group of 24 April 2019 (AGM)) will only be included on the agenda of the First DR Holders Meeting.

Since 21 December 2017, NLFI holds approximately 6.4% of ABN AMRO Group’s share capital in the form of DRs. NLFI has waived, in its capacity of holders of DRs only, any meeting and voting rights attached to the DRs other than the right to vote in the shareholders meeting of ABN AMRO Group. NLFI will therefore not cast a vote at the First DR Holders Meeting or the Second DR Holders Meeting.

5.3 The General Meeting

The resolution to enter into the Merger is to be adopted at the AGM. Both Shareholders and DR Holders are entitled to vote on the Merger. The resolution on the Merger will only be put to a vote if the resolutions regarding the amendment of the STAK AAG Articles and the Trust Conditions have been adopted at either the First DR Holders Meeting or the Second DR Holders Meeting.

The resolution of the General Meeting requires a two-thirds majority of the votes cast representing more than half of the issued share capital.

Further information on the Merger is included in the documents mentioned in paragraph 6.

5.4 Alignment post-Merger governance ABN AMRO Bank

Resolutions at the level of ABN AMRO Bank will be required to align the post-Merger governance of ABN AMRO Bank with the current governance of ABN AMRO Group with effect as per the Merger.

Resolutions by the general meeting of ABN AMRO Bank will mirror the resolutions that will be adopted at the AGM of ABN AMRO Group. For example, the general meeting of ABN AMRO Bank will prior to the Merger becoming effective adopt a resolution to:

- subject to the approval of the AGM, delegate mutatis mutandis the same authority to issue shares to the executive board of ABN AMRO Bank (as included in section 9 (a) of the agenda of the AGM);
- subject to a corresponding, mutatis mutandis, delegation being granted by the AGM for ABN AMRO Group, grant the authority to restrict or exclude the pre-emptive rights
accruing to Shareholders in connection with ordinary share issuances to the executive board of ABN AMRO Bank (as included in section 9 (b) of the agenda of the AGM);

- subject to a corresponding, mutatis mutandis, delegation being granted by the AGM for ABN AMRO Group, grant the authority to acquire fully paid up ordinary shares in ABN AMRO Bank’s own share capital mutatis mutandis to the executive board of ABN AMRO Bank for a period of 18 months (as included in section 9 (c) of the agenda of the AGM);

- subject to a corresponding resolution being adopted by the AGM, to resolve to cancel all or part of the fully paid up ordinary shares in ABN AMRO Bank’s own share capital (excluding, for the avoidance of doubt, ordinary shares B) or DRs, held by ABN AMRO Bank as a result of acquisitions on the stock exchange or by other means under the authority provided to the executive board mutatis mutandis section 10 of the agenda of the AGM;

- adopt the remuneration policy of the executive board, which will mirror the current remuneration policy of the executive board of ABN AMRO Group.

MERGER PROPOSAL

ABN AMRO GROUP N.V.

ABN AMRO BANK N.V.

13 MAART 2019 / 13 MARCH 2019
MERGER PROPOSAL (UNOFFICIAL ENGLISH TRANSLATION)

MERGER PROPOSAL
ABN AMRO GROUP N.V. AND ABN AMRO BANK N.V.

THE UNDERSIGNED:
The supervisory directors and the members of the Executive Boards of:

1. **ABN AMRO Group N.V.**, a public limited liability company incorporated under the laws of the Netherlands, having its corporate seat in Amsterdam, the Netherlands, address at Gustav Mahlerlaan 10, HQ 1210, 1082 PP Amsterdam, the Netherlands and registered with the Dutch Trade Register of the Chamber of Commerce under number 34370515 ("AAG"); and

2. **ABN AMRO Bank N.V.**, a public limited liability company incorporated under the laws of the Netherlands, having its corporate seat in Amsterdam, the Netherlands, address at Gustav Mahlerlaan 10, HQ 1210, 1082 PP Amsterdam, the Netherlands and registered with the Dutch Trade Register of the Chamber of Commerce under number 34334259 ("AAB").

WHEREAS:

*Merger Proposal*

(A) This Merger Proposal has been prepared by the Executive Boards and approved by the Supervisory Boards in order to effectuate a legal merger within the meaning of sections 2:309 and 2:324 DCC. As a result of such legal merger (i) AAB will acquire all the assets and liabilities and legal relationships of AAG under universal succession of title, (ii) AAG will cease to exist, and (iii) AAB will allot AAB Shares to the holders of AAG Shares in accordance with the Exchange Ratio.

*Background and purpose*

(B) On 3 November 2017, the European Banking Authority published a Q&A (Question ID: 2017_3329) providing for an interpretation of Regulation (EU) No. 575/2013 (CRR). Pursuant to this interpretation, the 'surplus capital' portion of AT1 and T2 instruments issued by AAB can no longer be included in the 'consolidated own funds' of AAG. This impacts the Tier 1 total capital and leverage ratios of AAG (the "CRR Impact").

(C) The Merger would remediate the CRR Impact.

*DRs issued by the ABN AMRO Trust Office*
(D) On the date of this Merger Proposal, part of the AAG Shares is held by the ABN AMRO Trust Office. The ABN AMRO Trust Office has issued depositary receipts ("DRs") for the AAG Shares it holds on the basis of one DR for each AAG Share. The DRs are admitted to listing and trading on Euronext in Amsterdam.

(E) Upon the Merger Effective Time, the AAG Shares will be cancelled and AAB Shares will be allotted in exchange. The Merger will not affect the DRs, other than that as per the Merger Effective Time a DR will represent an interest in an AAB Share instead of an AAG Share.

(F) The International Securities Identification Number (ISIN Code) for the DRs will remain the same. The Merger will have no consequences for the indexes in which the DRs are included.

Corporate governance of AAB upon the Merger Effective Time

(G) Upon the Merger Effective Time, the governance of AAB will be aligned with the current governance of AAG, subject to deviations that follow from the changed structure of the ABN AMRO group. In this connection, among other amendments to the governance of AAB, the AAB Articles of Association will be amended (see section 4 of the Merger Proposal). A more detailed description of the proposed governance of AAB upon the Merger Effective Time is included in the explanatory notes to the agenda of the AAG AGM.

Considerations concerning this Merger Proposal

(H) None of the Merging Companies has been dissolved, is in a state of bankruptcy or applied for a suspension of payments.

(I) All AAG Shares have been fully paid up.

Availability of relevant materials

(J) This Merger Proposal will be filed with the Dutch Trade Register of the Chamber of Commerce together with the relevant documentation as required under the laws of the Netherlands. This Merger Proposal will be made available on the corporate website of ABN AMRO (www.abnamro.com) and will also, together with such documents as required under the laws of the Netherlands, be made available for inspection at the offices of the Merging Companies for the persons that the laws of the Netherlands enable so to do. An announcement regarding the availability of this Explanation to the Merger Proposal and the other documents as required by section 2:314 DCC will be published in a Dutch nationwide daily distributed newspaper.

THE EXECUTIVE BOARDS HEREBY PROVIDE THE FOLLOWING EXPLANATION TO THE MERGER PROPOSAL:
1 Definitions and construction

In this Explanation to the Merger Proposal, capitalised terms have the meaning as set out in Schedule 1 to the Merger Proposal, unless defined herein.

2 Reasons for the Merger

2.1 On 3 November 2017, the European Banking Authority published a Q&A (Question ID: 2017_3329) providing for an interpretation of Regulation (EU) No 575/2013 (CRR). Pursuant to this interpretation, the ‘surplus capital’ portion of AT1 and T2 instruments issued by AAB can no longer be included in the ‘consolidated own funds’ of AAG. This impacts the Tier 1 total capital and leverage ratio’s of AAG (the “CRR Impact”).

2.2 The Merger would remediate the CRR Impact.

3 Anticipated consequences of the Merger for the activities of the Merging Companies

It is anticipated that the Merger will have no consequences for the activities of the Merging Companies, as all of the activities of AAG will be continued by AAB in the same manner.

4 Consequences of the Merger from a legal point of view

4.1 From a legal point of view, upon the Merger taking effect (i) AAB will acquire the assets and liabilities and legal relationships of AAG under universal succession of title, (ii) AAG will cease to exist, and (iii) AAB will allot AAB Shares to the holders of AAG Shares in accordance with the Merger Exchange Ratio.

4.2 The legal aspects of the Merger are further described in the Merger Proposal.

5 Consequences of the Merger from a governance point of view

5.1 Upon the Merger Effective Time, the governance of AAB will be aligned with the current governance of AAG, subject to deviations that follow from the changed structure of the ABN AMRO group. In this connection the AAB Articles of Association will be amended (see section 4 of the Merger Proposal). A more detailed description of the proposed governance of AAB upon the Merger Effective Time is included in the explanatory notes to the agenda of the AAG AGM.

5.2 As a result of the Merger, the large company regime (structuurregime) as currently applicable to AAG, will apply to AAB on a voluntarily basis. Reference is made to the Annexes C and D of the Merger Proposal.

6 Consequences of the Merger from an economic point of view
6.1 The Merger will result in AAB becoming the ultimate parent company of the ABN AMRO group.

6.2 The Merger will entirely remediate the CRR Impact.

7 Consequences of the Merger from a social point of view

From a social point of view, the Merger will have no consequences, as all the employees of AAB at the Merger Effective Time will remain employed by AAB, while retaining all their rights. AAG has no employees.

8 Explanation to the Merger Exchange Ratio

8.1 As a result of the Merger, all holders of AAG Shares will become a shareholder of AAB, and AAB will have no other shareholders other than the former holders of AAG Shares. As the Exchange Ratio will apply to all (holders of) AAG Shares, from an economic perspective it is irrelevant what the Exchange Ratio is. Irrespective of the Exchange Ratio, each holder of AAG Shares will receive at the Merger Effective Time a number of AAB shares that represents the same pro-rata interest in the parent company of the ABN AMRO group that such holders of AAG Shares held before the Merger Effective Time.

8.2 For practical purposes the Exchange Ratio has been set at one (1) AAB Share for one (1) AAG Share. The Exchange Ratio prevents fractional entitlements to AAB shares from arising. Furthermore, the Exchange Ratio ensures that each DR will continue to represent one share without the need to split or consolidate DRs.

8.3 For the abovementioned reasons, the Executive Boards consider the Exchange Ratio appropriate and fair to all holders of AAG Shares, the holders of DRs and to AAG as sole holder of AAB Shares.

8.4 The valuation that follows from the abovementioned reasoning is that one AAG Share prior to the Merger Effective Time has the same value as one AAB Share after the Merger Effective Time and the aggregate number of AAG Shares prior to the Merger Effective Time will have the same value as the aggregate number of AAB Shares after the Merger Effective Time.

8.5 No other methods than the abovementioned method have been used to determine the Merger Exchange Ratio. Therefore the relative weight of other possible methods is not addressed in this Explanation to the Merger Proposal.

8.6 There have been no particular difficulties in preparing the valuation or with the determination of the Merger Exchange Ratio.

9 Independent expert report
At the request of AAG, Mazars N.V. has issued a report in accordance with section 2:328(2) DCC. This report is attached to this Explanation to the Dutch Merger Proposal as **Annex A**. At the request of AAB, KPMG Accountants N.V. has issued a report in accordance with section 2:328(2) DCC. This report is attached to this Explanation to the Merger Proposal as **Annex B**. These reports will be made available on the corporate website of ABN AMRO (www.abnamro.com) and will be made available for inspection at the offices of the Merging Companies for the persons that the laws of the Netherlands enable so to do.

10 **Miscellaneous**

10.1 This Explanation to the Merger Proposal is prepared in the Dutch and the English language. In case of discrepancies between these two (2) versions, the Dutch version prevails.

10.2 This Explanation to the Merger Proposal is governed by, and interpreted in accordance with, the laws of the Netherlands.

10.3 Any dispute as to the validity, interpretation or performance of this Explanation to the Merger Proposal will be submitted to the exclusive jurisdiction of the Dutch courts.
